

Student Leadership Handbook 2027

Beaumaris
Secondary
College

The Student Leadership Program within the college enables student leaders to influence and motivate fellow students. Student leaders are curious, self-aware and confident in expressing their ideas. They are optimistic about a future that will allow all to flourish together. They have a sense of pride and responsibility to each other, the college and the wider community.

At Beaumaris Secondary College, we empower our students to understand and adapt to a constantly changing world. We actively promote participation and shared decision making that asks how individuals and our community can thrive now and in the future. Our comprehensive program develops and nurtures leadership skills.

The Student Leadership Team is supported by the Student Engagement and Voice Team who meet regularly with student leaders to mentor and guide them as they carry out their responsibilities.

College Expectations of Student Leaders

Beaumaris Secondary College students who apply for and accept leadership positions are expected to:

- Represent the school and act as a leader during school-sponsored activities and community events, and support the college where needed.
- Work as a part of the Student Leadership Team. Leaders will collaborate and attend meetings, contribute ideas and accept responsibility for managing specific tasks.
- Assist in the organisation of activities specific to the leadership role. This includes helping to set up events and equipment, welcoming parents and friends, formally thanking volunteers and assisting/monitoring/cleaning up after events.
- Act as role models and actively support the CORE values of Curiosity, Optimism, Respect and Excellence in all that they do, aiming to create a school community of authentic relationships that celebrates diversity, embraces the challenges of a changing world and promotes a positive mindset.
- Contribute to the college newsletter and college assemblies.
